The directors of all films are invited to be guests of the festival. The festival would like to arrange for as many filmmakers of the 2020-2022 selection as possible to visit the festival. Regrettably, no matter how much we would like to cover transport costs, the festival is restricted by budget constraints.

The festival therefore may give a partial payment of the transport costs (up to 100 € per film) to the filmmakers. If you need support, please get in touch with the festival through competition@greenmotions-filmfestival.de.

If the director or producer of the film cannot attend the Festival, the invitation may be forwarded to another member of the film crew. We try to organise local private accommodation for festival visitors. More information about guest services will be provided personally to successful applicants.
